

# Avery Dennison® UC 900

## Ultimate Cast Translucent and Light Control Films

UC 900 films are high performance, flexible, translucent and light control vinyl films which are especially suited for screen printing, cut graphics and thermo-forming. Ideal for architectural graphic applications involving flexible and rigid backlit signage and awnings, as well as window graphics.

### Key Features

- Up to 9 year durability for lasting outdoor performance
- Consistent color under both transmitted and reflected lighting conditions
- Polyester liner provides easy converting, wet application and a smooth consistent finish
- Matte finish provides a non-glare, uniform finish
- Easy cutting and weeding
- Excellent UV, temperature, humidity and salt-spray resistance

# Product Information

## Benefits

- Indoor and outdoor illuminated signs that prove a premium look day and night for a variety of applications
- Broadest color palette in the industry for color confidence

## Application Areas

- Architectural signage
- Directional signage
- Outdoor advertising
- Window applications
- Excellent for thermo-forming, backlit applications
